

Happy Kids Newsletter

January 2018

Welcome Back

We welcome Pedro, Tululah, Ruby, Evie-Mae, Eva, Mourad and Blake who have joined us this term.

We are very sad to be losing Shola Cook, who leaves us at the end of this term. We wish her luck for the future.

Easter holiday club

We will be running an Easter Holiday club on the following dates:

Tuesday 3rd April - Friday 6th April
Monday 8th April - Friday 13th April

This is available for children aged two to eight.

Please see the attached slip and fill it in if you are interested.

Parking

There are no longer any parking spaces at Winchcombe School for parents. As tenants of the school we need to adhere to and follow this rule too. There have been a few reported incidents of parents sounding off to the caretakers. Please remember they are just doing their job! Thank you

ECAT

Let your child take the lead, your child will learn more from an activity that they are interested in. Observe, listen and join in with their game.

Reminder: as we use the outdoors in all weathers please can the children have coats, wellie boots, hats, gloves and spare clothes. We also have a water station outside that is available all year round too! Furthermore, we would be grateful if you could please ensure you provide nappies and wet wipes for your child, if they wear them.

Tapestry

This is our online learning journal system, where staff document the children's development and learning. New parents should have received an activation email and now be able to access their child's profile online. Parents are encouraged to add to this, as children tend to act differently in various environments and you may observe something that has not been seen here.

There is an 'All About Me' section on your child's profile, it would be very useful if you could complete this.

Self-Registration

We would like you to help your child find their name on the tray and put it onto the board when you arrive. The children have their picture along with their written name. This will help them to recognise their name and their friends; the teachers also have their names and photos to help the children remember who is whom.
