February 2018

Welcome Back

We welcome Alexander, Josh, Katie, Lucas and Noelia this term.

Changes in the Environment

We have been working on developing the outdoor area and have recently added a reading shed.

Children now have a sheltered area outside to share books, reflect and communicate with their peers.

We have also relocated the woodwork area to the middle of the garden, in the old book area. This is due to the growing popularity and the need for more space.

Finally, we are in the process of developing a water station. Children will be encouraged to wear boots and a waterproof coat whilst accessing this area! However, they may still get a little wet and muddy.

Used Ink Cartridges

In your child's box you will find cartridge recycle bags. If you have any used ink cartridges at home, please can you place them in the bag and drop it in the box here at Happy Kids. By taking part in this scheme, we hope to raise some funds and continue developing the environment.

ECAT

Repeat an instruction using the same words, this will give your child more time to process what you have said.

Reminder: as we use the outdoors in all weathers please can the children have coats, wellie boots, hats, gloves and spare clothes. We also have a water station outside that is available all year round too! Furthermore, we would be grateful if you could please ensure you provide **nappies** and **wet wipes** for your child, if they wear them.

Tapestry

I hope you have managed to login to your child's profile. If you experience any problems with this, please speak to a member of staff.

It would be very useful if you could complete the 'All About Me' section on your child's profile.

Easter holiday club

We will be running an Easter Holiday club on the following dates:

Tuesday 3rd April - Friday 6th April
Monday 8th April - Friday 13th April

This is available for children aged two to eight.
